

A popular turn-of-the-century humorist, Jerome K. Jerome is perhaps better known for his plays than his novels and short stories. The main character of the *The Observations of Henry* is a waiter who meets a variety of odd people in the coffee shop he works in, from a man whose baby is shown in a dog show to Carrot, who finds that life as a Marchioness is just like a funeral with the corpse left out. Henry is one of the most entertaining observers of life in fiction and Jeromes gift of storytelling is obvious in *The Observations of Henry*.

The resources of Missouri ; the natural adaptation of Saint Louis to iron manufactures, Alice Dugdale, Niagara Falls: A new guide to all the principal points of interest with views from photographs, Christmas, Prose, Erime Liriche Edite Ed Inedite Di Dante Alighieri V4 (1758) (Italian Edition), El Diablo En La Botella (Spanish Edition), Patrick Henry and the Frigates Keel: And Other Stories of a Young Nation, Ivanhoe,
