

Letters, Under Assumed Signatures (Dodo Press)

Charles Lamb (1775-1834) was an English essayist with Welsh heritage, best known for his *The Last Essays of Elia* and for the childrens book *Tales from Shakespeare* (1807), which he produced along with his sister, Mary Lamb (1764-1847). Charles and Mary both suffered periods of mental illness, and Charles spent six weeks in a psychiatric hospital during 1795. He was, however, already making his name as a poet. Despite Lambs bouts of melancholia, both he and his sister enjoyed an active and rich social life. Their London quarters became a kind of weekly salon for many of the most outstanding theatrical and literary figures of the day. Amongst his famous works are *Rosamund Gray* (1798), *John Woodvil* (1802), *Poetry for Children* (1808), *Mr. H-: A Farce in Two Acts* (1806), *A Masque of Days*, *Mrs. Leicesters School* (1809), *Essays*, *The Witch*, *Album Verses*, *With a Few Others*, *Poems*, *Sonnets and Blank Verses* and *The Wifes Trial; or, The Intruding Widow*.
