

Fallen: A Daniel Briggs Novel (Corps Justice - Daniel Briggs Book 2)

I lost track of the drinks... Deeper and deeper I go... This next stop may be my last. Another town, another problem. Former Marine Daniel Briggs slips from locale to locale, the haze a comforting pillow, but inevitably the chips fall hard. Daniel finds himself in Maine, courtesy of a small hamlet called Old Orchard Beach. While everything seems quaint on the surface, the veteran sniper soon finds himself pitted between evils. Which one will he choose...or which one will choose him?
