

The Sorrows of Young Werther is a semi-autobiographical novel written by a young Goethe as a series of letters by Werther to his friend William concerning his infatuation with a peasant girl, already-betrothed. Initially published anonymously, the work was massively influential, and made Goethe an overnight celebrity, though he would later express distaste for its reception and for the fictionalizing his real-life romance.

The Touchstone [a Story], Outlines of a Philosophical Argument on the Infinite and the Final Cause of Creation and on the Intercourse Between the Soul and the Body, Red hills and cotton;: An upcountry memory,, Hidden Tennessee (1997), DUBLINERS (illustrated), Just William, Fables, The Classic Works of Desiderius Erasmus, Phineas Finn: The Irish Member,
