## Paradise Regained

An Epic Poem By

John Milton

Paradise Regained is a poem by the English poet John Milton, published in 1671. It is connected by name to his earlier and more famous epic poem Paradise Lost, with which it shares similar theological themes. It deals with the subject of the temptation of Christ. The poem was composed in Milton's cottage in Chalfont St Giles in Buckinghamshire, and was based on the Gospel of Luke's version of the temptation of Christ. Paradise Regained is four books in length, in contrast with Paradise Lost's twelve. One of the major concepts emphasized throughout Paradise Regained is the play on reversals. As implied by its title, Milton sets out to reverse the loss of Paradise. Thus, antonyms are often found next to each other throughout the poem, reinforcing the idea that everything that was lost in the first epic is going to be regained by the end of the mini-epic. Additionally, this work focuses on the idea of hunger, both in a literal and in a spiritual sense. After wandering in the wilderness for forty days, Jesus is starved of food. Satan, too blind to see any non-literal meanings of the term, offers Christ food and various other temptations, but Jesus continually denies him.
