

The 2010 edition Madison, Wisconsin Wall Map by Universal Map includes adjacent areas and offers up-to-date cartography with new streets and changes. Measuring 54 x 77 inches, this colorful map provides complete street detail. The map's area of coverage ranges North to include Dane and DeForest; South to include Oregon and Stoughton; East to include Sun Prairie and Cottage Grove; and West to include Middleton and Verona. There are inset maps of Downtown Madison and the University of Wisconsin. The special features and data contained on this map are as follows: all streets, all highways, educational facilities, government buildings, shopping centers, hospitals, airports, recreational parks, post offices, golf and country clubs, points of interest, city limits and annexations, railroads, mileage circles, water features, cemeteries, fire and police stations, ZIP code and boundaries. In addition, for your convenience, the map is indexed in a separate book. Framing rails are included on top and bottom for easy wall mounting. Railed wall maps can be turned into pull down maps on spring rollers for an additional \$30.
