

1917 (The War Years Book 4)

The Great War continues to rage with no sign of abating. 17-year-old Danny Keeton is whisked away from the front and thrust into a position as an assistant to General Camberwell, the man who almost sentenced him to death. When he overhears two intruders mention the word Munich in the middle of the night, Danny has to act. In a fight that could help decide the course of the war, Danny realises his enemies aren't who he thinks they are. As he gets closer to the truth, one stunning revelation about his family changes everything. Will Danny be able to do the right thing?
